

Attention Avon Residents

Effective immediately, the Avon DPW has implemented a **Phase I** water ban.

A Phase I water ban means that there is no outside watering allowed between the hours of 9:00 AM and 5:00 PM.

All outside watering must be done with a hand held hose only. No lawn sprinklers may be used during a Phase I water ban.

This water restriction is a mandatory requirement of our Water Management Permit as issued by the Department of Environmental Protection based on flow in the Taunton River.

If residents have any questions relative to this Phase I water ban, please call the Avon DPW at 508-588-0414x1024.
